

## **SCHUECO ALUMINIUM FABRICATOR ROLE**

Cantifix are a successful and well-established specialist architectural glazing company who also manufacture Schueco curtain walling, doors and windows, we are looking for an experienced SCHUECO Aluminium Fabricator to work in their production facility in NW9.

We are looking for someone who has a positive attitude with a strong work ethic, attention to detail with the ability to work under pressure, independently and also as part of our amazing team of experts. The successful candidate will have an eye for detail, working to deadlines and targets within a busy aluminium factory environment, familiar with cutting and CNC machines and experience of fabricating the Schueco aluminium system.

This is a permanent position and hours of work are Monday - Friday 6am-2.30pm with one hour for breaks. The salary will be based on experience.

### **Requirements for this role:**

- Knowledge and experience in the use of hand tools, measuring, and fixings (training will be provided)
- A conscientious and enthusiastic attitude
- A responsible approach, diligence in ensuring the quality of finish is maintained to a high standard
- Ability to work as part of a team and be self-motivated
- The ability to be on your feet for a full shift
- Flexibility to work overtime when necessary
- Good and communicative English
- Flexible
- Versatile and happy to get stuck in with the team.
- 40 hour week

### **ACCOUNTABILITIES/ACTIVITIES**

#### **1. Fabricated products**

To carry out work in the daily production of the fabrication shop. Training will be given when necessary for the following activities:

- Applying gaskets
- Crimping windows
- Fixing ironmongery
